

TECHNICAL DATA SHEET

Thuleka Air Freshener

1. Product Description

Thuleka Air Freshener is a high-quality, long-lasting fragrance spray designed to instantly refresh and deodorise indoor spaces. Suitable for homes, offices, restrooms, vehicles, and hospitality environments, it neutralises odours and leaves behind a pleasant, lingering scent.

2. Applications

- Homes and living rooms
- Offices and meeting spaces
- Public restrooms and wash areas
- Cars, taxis, buses, and fleet interiors
- Hotels, guesthouses, clinics, and schools

3. Product Features

- Instantly neutralises unpleasant odours
- Long-lasting fragrance (varieties include: Lavender Breeze, Fresh Linen, Citrus Burst, Ocean Mist)
- Suitable for use in air and on soft surfaces (e.g., curtains, carpets)
- Non-staining and fast-drying
- Ready-to-use — no dilution required
- Handy spray application for ease of use

4. Typical Properties

TECHNICAL DATA SHEET

5. Directions for Use

1. Shake well before use.
2. Spray 2–3 times into the air, away from the face, toward the centre of the room.
3. For fabric surfaces, spray lightly at a 30 cm distance.
4. Do not spray directly onto polished, plastic, or painted surfaces.

Note: Test on an inconspicuous area when using on fabric. Avoid over-spraying in confined spaces.

6. Storage & Handling

- Store in a cool, dry place away from direct sunlight and heat sources
- Keep away from children and pets
- Do not puncture or expose to open flames
- Store upright and tightly closed when not in use

7. Packaging

Available in:

- 250ml and 500ml spray bottles
- 5L refill containers
- Custom packaging options available on request

8. Safety & First Aid

- **Inhalation:** Use in well-ventilated areas. If irritation occurs, move to fresh air
- **Skin contact:** Wash with soap and water if contact occurs
- **Eye contact:** Rinse cautiously with water for several minutes
- **Ingestion:** Do not induce vomiting — seek immediate medical assistance
