Biodegradability: >98% (primary ingredients)

TECHNICAL DATA SHEET

5. Directions for Use

General Cleaning:

Dilute 1:10 with water. Spray or apply using cloth or sponge. Wipe and rinse if needed.

Heavy-Duty Degreasing:

Use undiluted or dilute 1:5 depending on the level of grease. Apply, allow to sit for 2–5 minutes, then scrub and rinse.

Carpets, Couches & Fabrics:

Test on an inconspicuous area first. Spray lightly, scrub gently, then wipe or blot with a damp cloth.

Glass & Mirrors:

Dilute 1:20 for a streak-free shine. Wipe dry with a microfiber cloth.

6. Storage & Handling

- Store in a cool, dry place, away from direct sunlight
- Keep container sealed when not in use
- Do not mix with acids or bleach-based products
- Keep out of reach of children

7. Packaging

Available in:

- 500ml spray bottle, 1L, 5L, and 25L HDPE containers
- Refill and bulk sizes available on request

8. Safety & First Aid

- Avoid direct eye contact; rinse with water if contact occurs
- If ingested, do not induce vomiting — seek medical assistance immediately
- Wear gloves when handling large quantities or for sensitive skin
- Refer to the product Safety Data Sheet (SDS) for full safety information
