

TECHNICAL DATA SHEET

Pro ZAMA ZAMA Drain Cleaner

1. Product Description

Thuleka Drain Cleaner features a unique effervescent formula that produces a powerful scrubbing action. This action accelerates the digestion and emulsification of organic matter, grease, and debris that commonly cause drain blockages. It is specially formulated to clear slow or clogged drains quickly and efficiently.

2. Applications

- Clearing blocked or slow drains in sinks, bathtubs, showers, and floor drains
- Suitable for domestic, commercial, and light industrial use

3. Product Features

- Effervescent action for enhanced cleaning and blockage removal
- Fast-acting and effective on organic blockages
- Safe for use in most standard plumbing systems

- Pleasant fragrance to reduce typical drain odors

4. Important Usage Warnings

DO NOT USE ON:

- Aluminium pipes or fittings
- Galvanised iron pipes
- Garbage disposal units

5. Directions for Use

1. Pour 250 ml (approximate) of Drain Cleaner directly into the drain.
2. Allow the product to work for 15–30 minutes.
3. Flush thoroughly with hot water.
4. For severe blockages, repeat the procedure or use overnight for best results.
